

Clock Brainstorming and Data Self-Portraits

Julian Cabadas

Activities on the daily

- Meditation
 - Laying down, quiet room
 - Practice on my breathing, brings more calmness to myself
- Working Out
 - At home or outside of the neighborhood
 - Usually do cardio (running) and body weight exercises
- Video Games
 - Whenever I have time, but I do have an obsession with them
 - Usually time when friends are online and not busy
- Editing in Photoshop
 - Usually for fun, not school work unless needed
 - Usually editing family photos or screenshots I take from my own work
- Singing
 - Usually happens with I'm alone (in the car or shower)
 - If Karaoke night with friends, then I will
- Read Novels and Comics
 - Usually whatever interests me, usually sci-fi
 - Last I read was Player One
- Chess
 - For fun, online with friends
- Watching YouTube
 - Usually to watch up on documentaries or random gaming videos for fun
- Listening to Music
 - Rock & Rap
 - Listening to music during the morning and evening
- Practicing wrestling
 - Started learning professionally since last year since I really like promotions like WWE
 - Would usually learn with my uncle or at a performance center that has a ring
